

Extraction center

Low space when folded,
eRacks are built on demand.

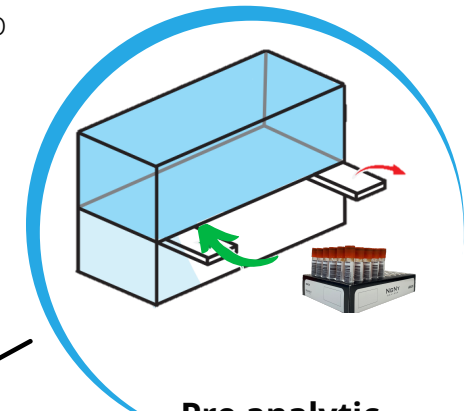

eRack

eRacks filled as required.
All tube sizes fit.

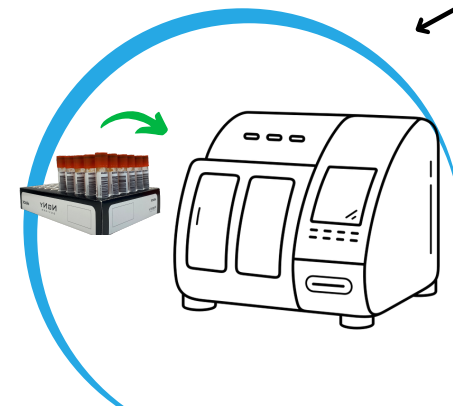

Transport

Samples directly sent to
the labs on the eRacks.

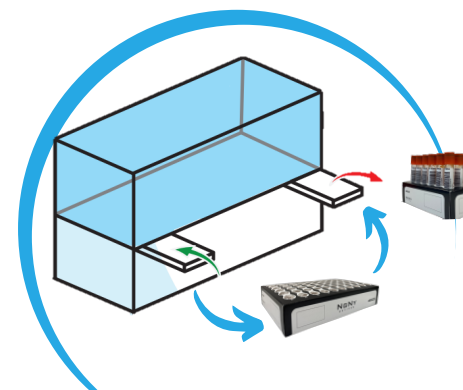

**Pre analytic
automation**

Directly load eRacks in
lab automation.

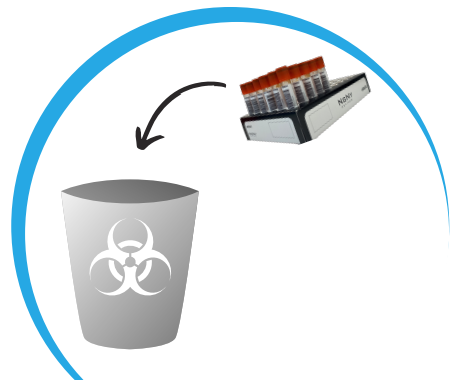

Analyzers

Use eRacks to bring
samples to the Analyzers

Reuse eRacks

Reuse empty eRacks for
archive purpose.

Discard samples

Safe disposal, without
manipulation.
